

## COUNCIL - 11<sup>th</sup> January 2021

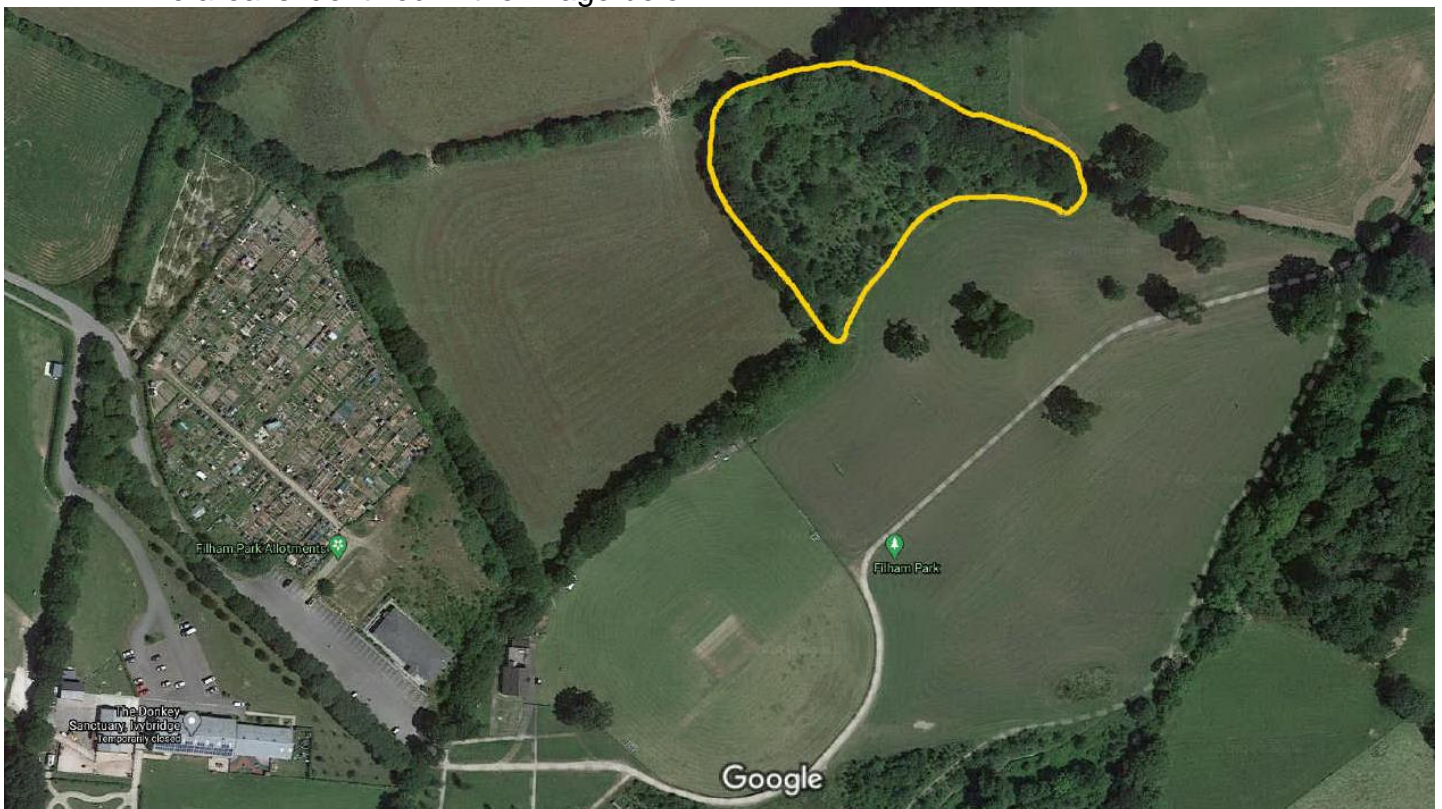

### CONFIDENTIAL SESSION

### TREE DEDICATIONS AT FILHAM PARK

Following the retirement of our colleague, Lesley Hughes, a suitable recognition of her 19 year's service to this Council has been sought.

It has been suggested that the naming of a currently unnamed area of woodland at Filham Park that Lesley helped create would be a fitting mark of gratitude.

The area is identified in the image below:

The cost for a basic printed metal (di-bond) sign at a suitable location on the edge of the area would be approximately £120+VAT. A solid oak sign would be approximately £250+VAT.

Councillors are invited to suggest a suitable name. Possible suggestions include:

- Lesley Hughes Woods
- Lesley's Wood
- Clerk's Copse

If this Council resolves to name the area and agree to the cost of the signage, then a suitable unveiling will be held in the summer when Covid-19 restrictions allow.
