

FULL COUNCIL - 1 NOVEMBER 2021

PLANNING COMMITTEE

Attached are the proposed amended Terms of Reference and South Hams District Council's (SHDC) Planning Memorandum of Understanding which was discussed and amended at the Planning Committee on the 11th October 2021.

The Committee agreed to **recommend** to the Full Council acceptance of the attached proposed South Hams District Council (SHDC) Planning Memorandum of Understanding. This is subject to a firm request to SHDC to amend the Memorandum so that, as the biggest town in the South Hams, any planning applications objected to by the Planning Committee should then be considered by the elected members of the Development Management Committee of South Hams District Council and not decided on 'delegated authority'.

The Committee agreed to **recommend** to the Full Council the amendments to the Terms of Reference as attached. This would require a change to the meeting calendar which has been redrafted and attached.
