It was right to say thanks to the staff as both in The Watermark team and Town Hall team, there has a lot of flexibility required which can be difficult, but they had managed to keep the Council business moving.

HR SUPPORT: Members reviewed the report and proposal from the existing supplier (previously circulated).

Cllr Parsons explained his most recent experience had led him to question if Ellis Whittam were the most suitable supplier of HR Support Services to this Council but on reflection he was happy to stay with them.

THE WATERMARK STRUCTURE: Councillors considered the report (previously circulated).

Councillors discussed the report, including whether it would be sensible to advertise internally first. It was decided it would be best to advertise normally and encourage any internal applicants who felt they matched the specification as well. Cllr Spencer suggested the offer of training would encourage internal applicants. The Town Clerk explained that could be offered as a condition of appointment if it was felt the candidate was otherwise excellent and was the best overall candidate. Cllr Parsons and Cllr Bowden agreed it sensible to advertise locally as the job required the candidate to live nearby.

The Town Clerk advised a couple of small amendments to 'The Watermark Manager' job description.

It was **RESOLVED** to accept the recommendations in the report and start the recruitment process to the timescales detailed using the paid for advertising channels listed.

PE21/08

PENSIONS UPDATE: Councillors considered the report (previously circulated).

Cllr Dredge went through the report.

Cllr Dredge explained that he would continue in the roll of Stage 1 Appeals Officer and this would be handed over to the Town Clerk over the next 2 years.

Cllr Dredge explained that he had checked via the Senior Finance Officer that South Hams District Council are aware of the requirements reference salary changes as they run our payroll for us.

Cllr Dredge set out the many factors beyond our control that affect our employer contributions to the pension scheme. A more frequent actuarial review could result in a lowering or raising of the employer percentage contribution and so increasing the frequency from three-yearly to annually would not be a concern for this Council.

The consultation also covers the payment options for employers leaving the pension scheme, with options such as lump sum on exiting or staged payments over a number of year.

The Town Clerk highlighted that this was a consultation and we were not being expected to make a policy decision.

It was **RESOLVED** to accept the recommendations in the report and that Cllr Dredge and the Town Clerk would action.

The meeting closed at 11.15am
