LETTER OF SUPPORT TO DARTMOOR NATIONAL PARK AUTHORITY

A question was raised at the last Full Council meeting with regard to the High Court decision to uphold some Dartmoor landowners desire to ban camping on sections of the moor they own.

The Town Clerk has made contact with the Chief Executive to ascertain how the Town Council can best support their application to appeal, and any subsequent appeal.

The process is still at an early stage and although at the time of writing nothing has been received from the DNPA, it may have been by the time of the meeting.

If it has not by the time of the meeting, the members could decide to write a letter of support based on the views and fact as they stand.

Members are invited to discuss the points they would like highlighted and delegate the Mayor and Town Clerk to put together a suitable letter.
