[REDACTED]

Hi Jonathan,

It was because of Stagecoach's decision to change their route into Plymouth that the change was necessary, may be worth speaking to them about the reasons for the change to the Gold.

However I do believe there is some confusion now the 20 end to end now runs between Ivybridge and Plymouth in around 50 minutes residents catching this bus as opposed to the 20A do not need to go around Plympton to get in the bus comes off to go to Langage for workers but then goes back on to the A38 and down to Marsh Mills and continue in via the more Popular Prince Rock route to Town avoiding the Mutley peak time traffic.

Those still wishing to go to Plympton for example still have the choice of the 20A for that so in fact although less frequent and no Sunday service (accepted) the residents now have 3 choices of routes into Plymouth via different districts with both operators and arguably are better connected to more of Plymouth without a bus change than ever before.

As with anything the more people who take this option and use the service the more capacity that then may be required the better chance there is of having a more regular service. Fares for singles until 30<sup>th</sup> June are currently capped at £2 never been a better time to get on board a bus and leave the car at home.

Any questions please do not hesitate to come back to me.

kind regards

Thanks [REDACTED]

[REDACTED] I will get in touch with them, thanks. However still leaves us with no evening services and overall reduced services to Marsh Mills. I know you need to make the financials stack up so could you illustrate for the Council the challenges that influence decisions on these changes.

We are getting complaints from residents about the lack of morning services for work and college, and total lack of evening services. And also the Marsh Mills link is still slow due to the route making it unattractive to Ivybridge residents. 45mins/1h 15mins to get to Royal Parade is not what residents are used to!

Subject: 20/20A Ivybridge service route changes

Dear Jonathan,

Thank you for coming through to us at Plymouth City Bus regarding changes to the 20/20A service.

I believe this request was through Devon County Council who support the 20/20A routes owing to Stagecoach making a commercial decision involving re-routing the Gold Service.

This would have left 2 buses operating the same routes in Sherford etc as previously covered by the 20/20A and problems with people wishing to get to other points in Plymouth such as Marsh Mills left with no direct link.

For this reason and to avoid the duplication of a commercial and council funded route duplicating each other which would almost certainly have lead to the loss of the supported routes, they were re-routed to replace the stops now no longer served by the Gold buses.

I hope that clarifies the situation for yourself and you colleague's on the Council.

kind regards
