General Information

#MyPlace Campaign

The original bunting has not been successful and SHDC have secured replacement bunting from the suppliers. Not only did it cause a noise issue, but it also has already started to break up. It should have been replaced by the time of this meeting.

Community Connector

This position has been offered and the successful candidate should be starting in early June. Part of their induction will be to have some time with the Town Hall team to help them get up to speed with how the Council plays its part in connecting the community.

The Queen's Jubilee

Further site meetings have been held with Miss Ivy Events and the plans are firmed up and we are nearly ready for the weekend. A programme will be distributed by the Beacon Magazine in time for people to plan their weekend. We are still short of volunteer support on the day so any further offers of help would be needed to ensure the event is a success.

Butterpark

This is progressing, but due to more urgent pressures and delays with the solicitors, a more full update and progress report will be provided at the next meeting.

Sports Forum

It is hoped a meeting of the Sports Forum can be called to ensure all sports and recreation clubs and groups are part of the discussion when it comes to strategies and S106 bids.
