

FULL COUNCIL

27th June 2022

UPDATES AND INFORMATION

Forthcoming training/conferences/representation

Sector Inspector Meeting D & C Police – Cllr Dredge – June/July 2022

General Information

Jubilee Celebrations

Despite the disappointing weather, the events on the Saturday of the Jubilee Weekend organised by the Council went ahead and those that attended enjoyed the selection of entertainment, activities and extra attractions put on by the Council.

The event simply would not have been possible without the help of the individual volunteers, Rotary Club and Councillors that were able to give time on the day.

It would also not have been possible without the partnership of local businesses that not only supported the event on the day by opening their shops and working with the road closure, but also took part in the 'Dress your premises' competition.

We also gained essential financial support through sponsorship from Glanvilles Mill and Home Instead as main sponsors, as well as great support from Christopher's South Hams Estate Agent, Ivor Jones, Lawsons, Manning & Company and South Hams District Council Locality money from Cllr Louise Jones.

It was thanks to Miss Ivy Events too for bringing a diverse range of stalls and professional event management to the day.

Community Connector

The new Community Connector started on the 1 June. Cluna Donnelly is the new post holder and has a great track record of working and volunteering within our community.

Jonathan Parsons
Town Clerk
