The Chair enquired if the member of the public wished to speak.

*Standing Orders were suspended at 6.24pm*

The member of the public advised that they had not seen the plans but would like to enquire whether the new play area will be maintained. The Assistant Town Clerk advised that the previous play equipment installed by the Friends of MacAndrews Field had been made of untreated larch which had rotted prematurely and there was also no maintenance agreement in place. The new play equipment materials are robust and durable, and funding will be allocated for an annual maintenance agreement.

*Standing Orders were resumed at 6.27pm*
