081023 - Call to assist Ambulance with a “violent patient”.

111023 - Report of a Drink driver – vehicle located, driver provided a positive specimen of breath and arrested.

121023 - High Risk Missing person. Male located by Police 3 hours after initial report.

141023 - Report of a Drink driver. No Registration, just make model and colour. Vehicle not located.

141023 - Report of a Drink driver – vehicle and owner located, No further action.

151023 - Report of Criminal Damage – brick through window. Enqs ongoing.

161023 - Report of Cardiac Arrest at Ivybridge railway station. 0230hrs. Officers supported Ambulance. Sadly, the male passed away.

161023 - Unexpected Death at a residence in Ivybridge. Police attended on behalf of HM Coroner.

231023 - Report of a High Risk Missing Person. Located and returned to safety.

291023 - Officers forced entry to a property after a report that a person was self-harming. Call with good intent. Person safe.

Plus - 27 incidents on the road such as RTCs / Broken Down Vehicles / obstructions in the Live Lane A38.

There were also a number of domestic related incidents within the home environment.

Lastly, the update from the ASB Core group is that ASB within the town does appear to have decreased to a point whereby we feel able to withdraw from the monthly meetings with the proviso that we will maintain a constant monitoring of the situation and update parties should we see an increase.
