

PARKS AND OPEN SPACES COMMITTEE

12 APRIL 2022

MANSTOW EVENT PARKING

Manstow Football Club have requested to use an area within the park for an event.

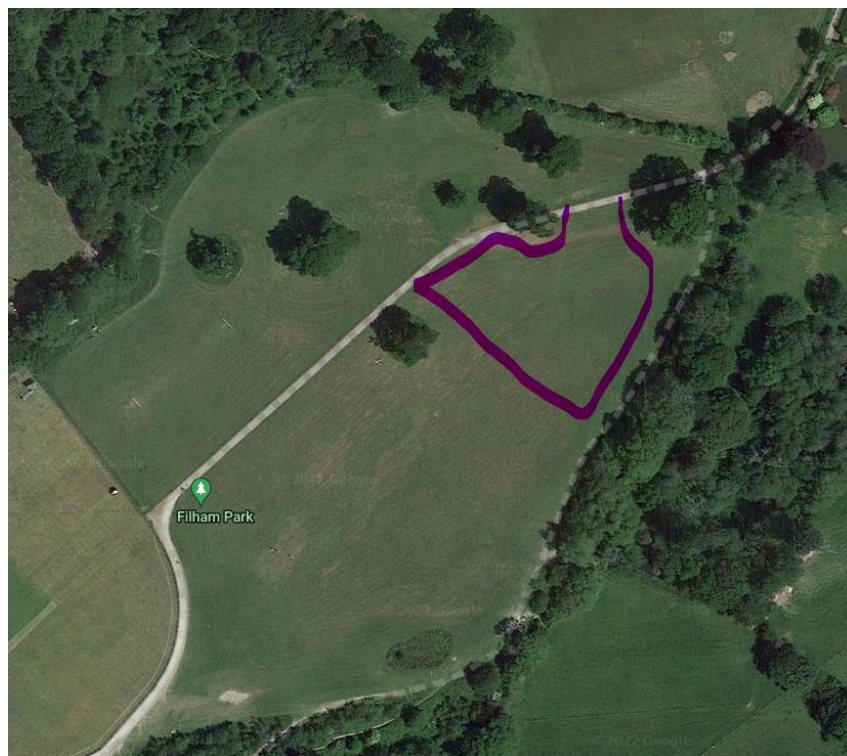

It is proposed to offer them the area below as a parking area for their tournament on 9th and 10th July 2022.

They have used the area before. Given the improvements due to take place the area, the space available to them would be limited to that illustrated below. There are smaller trees in the area now, but these are protected by park enclosures. The area would exclude the wildflower strips in the east.

The larger oaks must be kept clear of, and an orchard is due to be planted just outside of the area to the south west.

If the weather at the time of the event, or in the lead up, is wet then the area would not be used. As part of the agreement it is proposed that the state of the ground is agreed before and after the event and officers are authorised to cancel the agreement at any time in advance of the commencement of the event if it is felt the ground is too wet. The agreement will state that any damage should be made good by the club.

It is not proposed to make a charge for this one off use, unless Members feel a charge should be made.

It is **recommended** to allow the use subject to any conditions as agreed by members

Jonathan Parsons
Town Clerk
