

MEETING REPORT

Meeting: Parks & Open Spaces, 29th January 2024
Agenda item: PA23/033
Report subject: Pop up coffee & cake facility, Filham Park
Report author: Skate South Devon

Correspondence received from Skate South Devon

Dear Kate,

I'm conscious that I need to let you know in time for the next meeting and so I will keep this short with the option of further information if it is of interest. I would officially like to raise a request to pass to the council that Skate South Devon CIC would like take a license to sell food (cakes) and drinks (coffee) at Filham.

We are hoping that this will be able to raise money towards and begin to activate / raise awareness about the site for the proposed facility that we are working on delivering near the cadets. We expect this could be on Friday / Saturday / Sunday but is flexible in terms of times / days depending on what the council would like to see down at Filham.

We can provide a flexible service with a small footprint and have experience with an existing setup consisting of a small pop up. We have all the necessary equipment, setup and licenses with insurance etc.

I can provide more detail if this is something that the council will consider but would like to raise this and have the opportunity to share this with council at the next opportunity.

I look forward to hearing from you and can provide more information on request.

Best wishes,
Skate South Devon

PROPOSAL: To consider a request from Skate South Devon CIC to site a small pop up facility selling food and drinks at Filham, in order to raise money towards the proposed wheeled sports park.
