NO OBJECTION – Members did raise concerns over the loss of a residential dwelling to commercial, and the movement of staff from the town centre to a less sustainable location. However, they did not believe these to be material considerations, and therefore had no objection to the application.

1507/21/HHO Householder application for reprovision of existing garage and home office side extension, construction of first floor side extension over garage (part) and single storey rear extension to dwelling, and sundry internal alterations – 29 Dairy Lane, Ivybridge, PL21 0UW.

SUPPORT – Members considered that replacement of the current lean-to with the proposed extension would enhance the appearance of the dwelling, and thus improve the street scene.

1705/21/HHO Householder application for erection of balcony with French doors, internal remodelling including creation of new

bathroom with new window and rendered external appearance - West Highlands, Fore Street, Ivybridge, PL21 9AE
