#### **SUPPORT**

PL23/017 **STOWFORD MILL:** A copy of a consultation was received from McCarthy Stone welcoming feedback on proposals for later living on the Stowford Mill site (copy previously circulated). This consultation

had been brought to the attention of the committee by Cllr A Spencer, Town Mayor. Cllr Spencer advised that he had not received this in his role as Mayor, but as a member of the Table Tennis Club which is based at Ivybridge Community College, and therefore neighbours to the proposed site.

The committee commented that the residential phase of luxury homes appeared to have made very good progress, but queried the status regarding the development of the commercial and retail use and public space planned for the site.

The Assistant Town Clerk advised that the last communication Burrington Estates, the owners of Glanvilles Mill, had made with the Town Council was in early 2021 regarding the application to convert the later living block to houses. One of the reasons for the revised proposal was due to the block's massing on the site and how this was affecting the saleability of the Tier 1 houses. Their alternative plan was to replace this with 16 dwellings and develop the mill into later living apartments.

The Planning Committee felt it would be useful to meet with the developers with respect to obtaining an update on the progress of the site as a whole and it was **RESOLVED** to write to Burrington Estates to request a site visit.

PL22/018 **PLANNING:** The following planning application was considered:

1489/23/HHO READVERTISEMENT (revised plans & amended description). Householder application for first floor side extension with loft accommodation, plus rear balcony – 9 Orchard Court, Ivybridge, PL21 9UB.
