1880/23/HHO Householder application for proposed rear conservatory (retrospective) (resubmission of 4200/22/HHO) – 22 Barn Close, Ivybridge, PL21 9UU

<http://apps.southhams.gov.uk/PlanningSearchMVC/Home/Details/231880>

OBJECT – Due to the negative impact on neighbouring properties and impacting on privacy.

The steps extending beyond the conservatory rear wall constitute a raised platform overlooking neighbouring properties, and permission for this should also be refused.

Due to the size of the conservatory it dominates the rear garden of this terraced dwelling, and Members also felt that the conservatory was very close to the boundary of the attached properties and will overshadow them significantly.

Taking all these factors into account, the proposal was considered overbearing and causing unacceptable harm, and Members therefore objected to the application.
