**APPLICATION FOR GRANT**

*(This form MUST be completed in type or black ink so that it can be photocopied legibly)*

I wish to apply for a grant for the under-mentioned purpose –  
 I wish to apply for a grant to pay for my organisations public liability insurance which is due for renewal shortly. Having this insurance means that the volunteers I work with are protected, as are the people we work with. Currently, volunteers helping in a number of community activities are covered under the So Social public liability insurance.

---

Is this an individual or Club activity? And if the latter please give details of the Club

~~Community group, So Social operates in Ivybridge to provide a range of activities~~ to people who are at risk of social isolation and loneliness. Currently, this includes coffee mornings, Ivybridge Bloomers, an Art group, a Cooking course and a support group for people with long term medical conditions.

---

How will you benefit?

We will benefit by receiving funds to cover our insurance costs. Currently we rely on volunteers to help run events and activities around the town.

---

How will this activity contribute to raising the profile of the community of Ivybridge or inspiring others?

So Social continues to help some of the most vulnerable people in our community, as well as involving and inspiring the whole community to help each other. We hope to continue to build a resilient and sustainable community in Ivybridge.

**APPLICATION FOR GRANT**

*(This form MUST be completed in type or black ink so that it can be photocopied legibly)*

I wish to apply for a grant for the under-mentioned purpose –  
Following a recent tree survey it was observed that two of our pitches were located too close to the base of a tree. In order to relocate our pitches the existing goal plugs need re-locating. These would be damaged if removed. The grant would allow us to purchase new plugs. A cost that we had not budgeted for.

Is this an individual or Club activity? And if the latter please give details of the Club

**Club**-Manstow Youth Football Club providing football training and matches to over 180 children in the Ivybridge Area.

How will you benefit?

The grant would enable us to re-work pitch configuration hopefully restricting disruption to training and league participation. With a closed league program until 2022 we have the opportunity to carry out this work during the Christmas break.

How will this activity contribute to raising the profile of the community of Ivybridge or inspiring others?

With out this money we would risk losing two pitches affecting team activities on this site.

Amount of grant sought: £ 480
