10th August 2021

Dear Jonathan,

On behalf of Citizens Advice South Hams I would like to express our sincerest appreciation to Ivybridge Town Council for your recent grant of £1500 made to our charity.

The grant will help immensely with running our core service and in enabling us to remain a presence at the Watermark so those local residents who prefer face-to-face communication or who face barriers in using digital services can continue to access the support and advice they need.

It was my pleasure to attend the Council meeting and I am glad the Councillors found it beneficial.

We are very grateful for your on-going support, please express our greatest thank you to the Town Council.

Yours sincerely,

A handwritten signature in black ink that reads "Janie Moor".

Janie Moor
Chief Officer
