Dear Ms Gilbert,

On behalf of Ivybridge Rail Users Group, may we please have consent for free use of a room in the town hall for our member meetings. IRUG is a community based voluntary group whose sole purpose is to promote and encourage greater use of Ivybridge train station. If possible, may we have free use of hot water in flasks and crockery. We will bring our own tea, coffee, and milk,

Kind regards,

Graham,

Graham Wilson,
Secretary,
Ivybridge Rail Users Group,
