

POLICY AND RESOURCES COMMITTEE

PR21-028

4th OCTOBER 2021

UPDATE AND INFORMATION

Committee Room Hire

We have been approached by a local organisation working on behalf of DCC/NHS to deliver services between now and June 2022. They would want to block book the Committee Room all day, Monday to Friday until then.

We will need to rearrange some bookings, but this is an excellent opportunity to bring some education/health services to Ivybridge and generate some of the lost income from the Town Hall. It is hoped an agreement will be signed soon.
