

POLICY AND RESOURCES COMMITTEE

15th NOVEMBER 2021

SUPPORT OF RUGBY CLUB FIREWORKS

Each year the Ivybridge Rugby Club hold a fireworks event.

The Council has always budgeted to support this by way of a grant to ensure the event goes ahead.

This benefits the town by providing a safe environment for people to enjoy a bonfire and fireworks and reduces people holding their own back garden events, reducing the risk of injury and disturbance.

The Rugby Club have requested the full support of £1000 as budgeted and this committee is asked to approve the award to the Club. The event has taken place on the basis that the grant would be issued and the feedback appears to have been positive and attendance excellent.
